13th March 2020

Dear Parents and Carers,

I write to inform you that due to the Coronavirus outbreak as a school we have had to take a number of precautionary measures. Therefore, all planned educational visits in public places and in and out of school events will be cancelled until further notice.

This has been a difficult decision, but has been made to ensure that the children are kept safe and are not put at risk.

As you aware, the children have been washing their hands at regular intervals during the school day. Some pupils may need to moisture their hands and we have purchased a water based Aqueous cream to support this. However, if your child has a skin condition, you may wish to send in a small tube of hand cream that can be applied as and when necessary.

The latest government advice on the virus can be found here:

<https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

We would like to remind all parents and carers that all of the above measures are precautionary. We can assure you that the school is following official guidance and is managing the situation appropriately. Please support us in our efforts to avoid causing undue alarm amongst our children.

Thank you for your continued support.

Best regards,

Reema Reid
Headteacher
